Michigan Diabetes Research Center (MDRC)  
Michigan Center for Diabetes Translational Research (MCDTR)  

2018-19  
PILOT/FEASIBILITY (P/F)  
GRANT PROGRAM

**Purpose**  
The purpose of this Pilot/Feasibility grant is to promote research in diabetes by new and established investigators at the University of Michigan.

**Eligibility**  
- Full-time instructional, research or clinical track faculty positions at the University of Michigan  
- Basic, clinical and type 2 translational diabetes research  
- New investigators beginning careers in diabetes-related research, established investigators who have not previously worked in diabetes-related research but wish to focus their expertise on diabetes, or established diabetes investigators who propose innovative research in diabetes that represents a clear departure from their ongoing research

**Funding**  
Up to $50,000

**Applications**  
- Proposals should be for one year of support, with total requested funding up to $50,000 direct costs  
- Application Deadline: Monday, August 6, 2018 (11:59 PM)  
- Anticipated Funding Date: December 1, 2018

Apply through the Competition Space website
